

“COLOUR STONE”

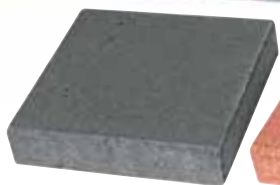

Paving Solutions

*Beauty and Simplicity
...that's hard to go past!*

Paver size:
190 x 190 x 40mm

Charcoal

Berrima

Oakdale

Bushrock

Robertson

Appin Stone

All our pavers have been treated with a solution,
added during the manufacture that will add to their performance and appearance.

COLOUR FAST • LITTLE MAINTENANCE • SLIP RESISTANT • ENVIRONMENTALLY FRIENDLY

All 190x190x40 pavers manufactured by Baines Masonry are suitable for driveway applications for domestic vehicles. See your paving supplier for details.

Pavers displayed are an indication of colour only, they can vary from batch to batch and they are as close as the 4 colour printing process can achieve. Please refer to samples in store.
