

Shovel out, Shovel in!

THIS BAG IS ALSO A BC SKIP BIN BAG!

Once you have removed your product, simply fill this bag up with rubbish and let us take it away! It's cheaper and more convenient than a skip or a trip to the tip!

 <p>1</p>	 <p>2</p>	 <p>3</p>
<p>Position your bag within three metres of your driveway or roadside – we need three metres of clear space to pick it up.</p>	<p>Fill the bag with rubbish, providing it complies with the list of acceptable waste. Fill no more than 50mm from the top of the bag.</p>	<p>Contact us on 8543 3402 or online at www.bcsands.com.au, pay by credit card, and we'll take it away within the next 24 hours!</p>

WHAT YOU **CAN** INCLUDE:

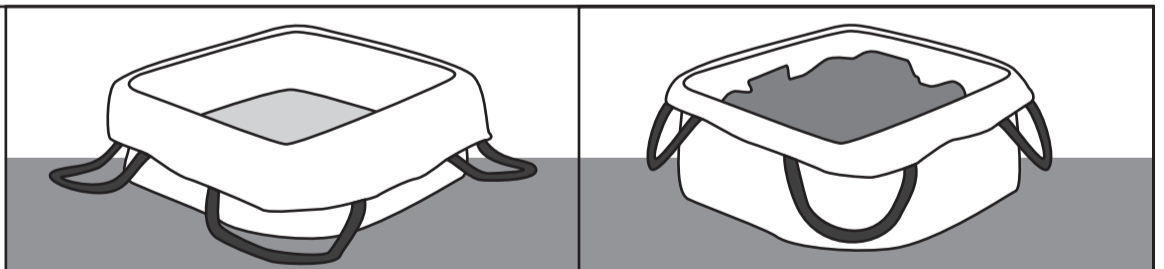

- Building, DIY and renovation waste
- Lawn clippings
- Garden waste
- Sand and soil
- Rocks
- Household goods and furniture
- Cardboard
- Empty paint cans
- Household appliances (with doors removed)
- Carpet
- Mattresses (must fit completely in bag)

WHAT YOU **CAN'T** INCLUDE:

- Glass or anything with sharp edges that might tear the bag
- Any liquid waste, including paint cans with paint in them
- Oil or things which have contained oil
- Batteries
- Tyres
- Propane or gas tanks
- Fluorescent tubes
- Anything containing asbestos
- Poisons, chemicals or toxic waste
- Food waste

Hint:

To make sure your bag stands up, fold down each of the four corners before you start filling. Fold the corners up as you are going along and the bag will stay upright.

Your bag must be filled and ready to pick up when our driver arrives. Please do not over fill, because our crane truck may not be able to pick up your bag – keep the top of your rubbish at least 50mm from the top of the bag. Bags should weigh no more than one tonne. If bag is over one tonne, our driver will supply another bag so you can split the contents, but there will be a charge for this. We are sorry, but our driver is not licensed to help you fill or adjust the contents of your bag and this is solely your responsibility. If you need another bag, just contact us on **8543 3402** or online at www.bcsands.com.au and we'll bring you one! (*Charges apply*) **Maximum fill weight: 1 tonne**

Please note:

We cannot pick up any bag that is damaged, so please be careful not to put in anything with sharp edges that might tear the bag. Use only a new bag with this tag attached. We cannot pick up a bag that our crane truck does not have direct access to, so please make sure that your bag is not obstructed, including by tree branches or telegraph wires. For more information and prices, visit our website on www.bcsands.com.au or call us on **8543 3402**. **No bags will be picked up without this tag attached.**

Sydney metro only.
